PERSONAL COMMUNICATIONS

Bennett, Marvin. Manager, pipeline operations. Pacific Gas and Electric Company, Walnut Creek, CA. March 14, 1988—letter to Jim Canaday, California State Water Resources Control Board.

Driller, Mike. California Department of Water Resources, Division of Engineering. October 5, 1999—informal office memo to Cathy Crothers regarding the Delta Wetlands Project and responses to questions asked by Jones & Stokes regarding the Division of Safety of Dams. Distributed to Delta Wetlands parties October 14, 1999.

Forkel, Dave. Project manager. Delta Wetlands, Lafayette, CA. September 22, 1992—facsimile; June 21, 1994—telephone conversation.

Grimm, Rob. Acting superintendent. Pacific Gas and Electric Company, Central Area, Walnut Creek, CA. August 1, 1994—telephone conversation.

Jung, Marvin. Marvin Jung & Associates, Inc., Sacramento, CA. January 7, 2000—e-mail to Russ Brown, Jones & Stokes.

Miyamoto, Joseph J. Manager of fisheries/wildlife services. East Bay Municipal Utility District, Orinda, CA. August 5, 1999—letter and electronic files provided to Jones & Stokes.

Shum, K. T. Contra Costa Water District, Concord, CA. October 29, 1999—letter to Harry M. Schueller, State Water Resources Control Board, Sacramento, CA, about "Delta Wetlands Project—comments on DOC loading rate estimates in the Supplemental EIR/EIS".

Stoutamore, James. Vice president, gas transmission and storage. Pacific Gas and Electric Company, San Francisco, CA. April 26, 1991—letter to California State Water Resources Control Board and U.S. Army Corps of Engineers regarding draft environmental impact report/environmental impact statement for the Delta Wetlands Project.

Warner, Chris. Pipeline engineer. Pacific Gas and Electric Company, Central Area, Walnut Creek, CA. August 17, 1994—telephone conversation.

Wernette, Frank. Biologist. California Department of Fish and Game, Stockton, CA. Text and spreadsheet files provided on August 10, 1999.

WATER RIGHT HEARING TESTIMONY

Clapp, Scott. Director of pipeline engineering. Pacific Gas and Electric Company, San Francisco, CA. State Water Resources Control Board water rights hearing for the Delta Wetlands Project. July 15, 1997, testimony, pages 886-901. Hearing dates July 8–August 2, 1997.

Kavanaugh, Michael, representing Delta Wetlands, Lafayette, CA. State Water Resources Control Board water rights hearing for the Delta Wetlands Project: Water quality testimony of Dr. Michael C. Kavanaugh. Delta Wetlands Exhibit DW-13. Hearing dates July 8–August 2, 1997.

Krasner, Stuart, representing California Urban Water Agencies, Sacramento, CA. CUWA Exhibit 5: Statement of Stuart W. Krasner before the State Water Resources Control Board, State of California, in the water rights hearing for the Delta Wetlands Project on “California Urban Water Agencies’ detailed concerns related to total organic carbon”. Hearing dates July 8–August 2, 1997.

Losee, Richard, representing California Urban Water Agencies, Sacramento, CA. CUWA Exhibit 6: Statement of Richard F. Losee before the State Water Resources Control Board, State of California, in the water rights hearing for the Delta Wetlands Project on “Uncertainties in Delta Wetlands Project analysis of the magnitude and sources of TOC”. Hearing dates July 8–August 2, 1997.

Losee, Richard, and K. T. Shum, representing California Urban Water Agencies, Sacramento, CA. CUWA Exhibit 14: Rebuttal statement of Richard F. Losee and K. T. Shum before the State Water Resources Control Board, State of California, in the water rights hearing for the Delta Wetlands Project on behalf of the California Urban Water Agencies on “Additional uncertainties in the estimates of TOC”. Hearing dates July 8–August 2, 1997.

Shum, K. T., representing Contra Costa Water District, Concord, CA. CCWD Exhibit 10: Rebuttal testimony of K. T. Shum before the State Water Resources Control Board, State of California, in the water rights hearing for the Delta Wetlands Project on behalf of the Contra Costa Water District, on “Potential impacts of the Delta Wetlands Project on total organic carbon concentration at Contra Costa Water District’s intakes”. Hearing dates July 8–August 2, 1997.
